NEW SERVICE TAP APPLICATION

Name of Applicant: _____

Mailing Address: _____

Phone # : _____ Date Service is Desired: _____

Address of Property _____

Does the property have an existing water/sewer service? Yes _____ No _____

☐ 1 inch water service tap - \$3,000

☐ Sewer service tap - \$1,000

☐ Other: _____

The water service tap fee is \$3,000. Sewer tap fee of \$1,000 may be required. Service tap material is sold to applicant at Nilwoods cost, if material costs are more than the tap fee then the customer may be responsible for said costs. The service tap must be made by a licensed plumber and inspected by an agent of the Nilwood Water & Sewer System before being covered up. The Nilwood Water & Sewer System is not responsible for any costs for labor, boring etc and/or materials incurred with or during the installation of said service.
